

IHL Excellence

# Hexagon®

**Legal Operations Excellence**

Designed by lawyers for lawyers.

## Hex Appeal

Hexagon® takes its name from nature's favourite structural form. From honeycomb to turtle shells, the hexagon is ubiquitous and offers an extremely strong structure with no wasted space.

The singular focus of the Hexagon® team is to help you eliminate wasted time and resource and find your optimal structure and process design.

## Better by Friday

Give us as little as five days and Hexagon® will guide you using the latest market best practice and real data to help you find what works for your team to deliver cost savings, time efficiencies and a more motivated legal team that's best equipped to deal with the requirements of your business.

Contact us [here](#) for a free of charge consultation to understand your challenges and explain how we can help.

# The Excellence Adventure

The value of my team is transformed - the business regards us as a true ally. By refreshing our processes and using Shoosmiths' leading IHL legal tech solutions smartly we are now seen as aligned, forward looking and super-responsive.
