

Personal immigration matters

We have set out below our fixed fees for our personal immigration services. We have detailed the services included for each service we offer. The fixed fee is for our legal services only. It does not include UK Visas and Immigration (UKVI) or other disbursements. The fees quoted do not cover situations with unusual complexities such as adverse immigration histories, previous refusals or cases that have been outstanding with the UKVI for many years. It does not cover discounts for repeat instructions or for multiple applications.

We will be able to advise you at the outset about whether there are any complexities which will result in our varying our fixed fees.

Who will carry out my work?
